

Using content from this website

## Description

# You are free to use material from this website if you follow the requirements below

Welcome to BICOM® UK LLP the home of bioresonance. We would like to encourage to share the information available on this site. Below are guidelines on properly citing bioresonance.org as your source. You are free to link to our articles and quote from the sites text, videos and images, contributing experts/writers, or interviewees using proper attribution. By doing this you can help initiate best practice and accuracy when discussing bioresonance therapy, and help educate others on how to take control of their health through the proper information.

## Linking to our webpages

It's good practice to inform your visitors of what you are suggesting a link to, so edit the code below by replacing the bioresonance.org with the full site address, if you use the code as it is, it will send people to the homepage.

```
<a href="https://bioresonance.org" target="_blank">Home of bioresonance</a>
```

## Use of Images

Some of the images used have been purchased and copyrighted, use of these could result in prosecution so please ask us which images you would like to use before doing so. A link to our image is ok.

## Use of Videos

All the videos are available on youtube.com and it is easy to embed these videos on your website. To access our video playlist please visit:

[Click here to view the videos you can use](#)

## Embed a video

On a computer, go to the YouTube video that you want to embed.

Under the video, click Share .

Click Embed.

From the box that appears, copy the HTML code.

Paste the code into your blog or website HTML.
